

BECOME AN EXPERT

IN THE PREVENTION OF RUNNING INJURIES

USA TRAINING COURSES COMING SOON !

The Running Clinic is an organization providing continuing education intended for health professionals that has grown to become the reference in the prevention and treatment of running injuries.

Using the most recent scientific evidence, the instructors question several unjustified and widespread practices. Complimentary listing on **The Running Clinic's** website and monthly literature updates are but a few of the little extras that will make this 16-hour high-quality seminar an awesome experience.
