

Doctor of Medical Science Tuition Discount for Precepting Entry Level SCU MSPA Students

Doctor of Medical Science (DMSc) students who routinely precept our entry level PA students will be eligible for a tuition discount. The 15% discount will be applied every term as long as the DMSc student meets and maintains eligibility requirements, dependent on the MSPA program's needs. If the DMSc student does not maintain the level necessary, the discount will be removed.

To be ELIGIBLE for the discount, DMSc students:

- Must serve as a preceptor for a minimum of 50% of the discipline's rotations in the previous 12 months of matriculation into the DMSc program
- Approval of the MSPA Program Director
- Approval of the DMSc Program Director

To MAINTAIN the discount rate, DMSc students:

- Continue to routinely serve as a preceptor for a minimum of 50% of the discipline's rotations during the 16 months after matriculation into the DMSc program
- Approval of the MSPA Program Director
- Approval of the DMSc Program Director
