&

American University of the Caribbean School of Medicine (AUC)

- A. RUSM and AUC agrees to provide certain benefits set forth below to Eligible Individuals who apply to and attend RUSM or AUC. “Eligible Individuals” are defined as students who have graduated from SCU’s Master of Science in Medical Science program within five (5) years of applying to RUSM and/or AUC, and who meet the following qualifications:
1. An overall undergraduate Grade Point Average (or equivalency) of 3.2 or higher;
 2. A cumulative undergraduate grade point average of 3.00 or higher in all courses designated as pre-requisites for admission by RUSM or AUC;
 3. No undergraduate grade below C (or equivalent) in any pre-requisite course designated by RUSM or AUC;
 4. All pre-requisite coursework must have been completed within ten years of the date of student application to RUSM or AUC;
 - a. Pre-requisite course substitutions and/or exceptions may be granted at the sole discretion of the RUSM or AUC Faculty Admissions Committee;
 5. A cumulative score of 490 or higher on the MCAT exam and
 - a. Minimum section scores of
 - i. 123 or greater for Biological and Biochemical Foundations of Living Systems;
 - ii. 122 or greater for Chemical and Physical Foundations of Biological Systems;
 - iii. 120 or greater for Critical Analysis and Reasoning Skills; and
 - iv. 120 or greater for Psychological, Social, and Biological Foundations of Behavior;
 6. Must have two Letters of Recommendation; and
 7. Other minimum admissions requirements required of RUSM’s students as set forth at <https://medical.rossu.edu/admissions/admissions-requirements>. Other minimum admissions requirements required of AUC’s students as set forth at <https://www.aucmed.edu/admissions/admissions-requirements>
 8. Under extraordinary circumstances, RUSM or AUC, in its sole discretion, may consider student applicants whose qualifications fall below the threshold qualifications set forth above.
- B. RUSM and AUC will guarantee an admissions interview for Eligible Individuals.
- C. Eligible Individuals who apply to RUSM and/or AUC and are accepted will be evaluated for academic scholarships at the time of admission. Eligible Individuals will be provided with information on the availability and criteria for other scholarships within 2 weeks of acceptance.

- D. Eligible Individuals accepted to RUSM’s Doctor of Medicine and/or AUC’s Doctor of Medicine program are eligible to receive the following, as permitted by law:
1. SCU Partner Scholarship – One-time award for the first semester of enrollment at RUSM or AUC of either \$10,000 or \$7,500, as follows:
 - a. \$10,000 if Eligible Individual had an overall Grade Point Average (or equivalency) of 3.5 or higher;
 - b. \$7,500 for Eligible Individuals not meeting the above criteria
 2. Reimbursement for the first flight to either schools campus to enroll in semester one (Maximum benefit of \$750)

Ross University School of Medicine: <https://medical.rossu.edu/>

Founded in 1978, Ross University School of Medicine (RUSM) has been providing students with the foundation they need to pursue successful careers in medicine for over 40 years. The Ross University School of Medicine experience is “Dedita Scientiae Medendi” –dedicated to the science of healing. We are proud of our rich tradition of preparing students for their life’s work as physicians. Ross students are eligible to take all of the United States Medical License Examinations (USMLE) by registering with the Educational Commission for Foreign Medical Graduates (ECFMG) and are eligible to apply for licensure in all states in the United States.

American University of the Caribbean School of Medicine: <https://www.aucmed.edu/>

The mission of American University of the Caribbean School of Medicine (AUC) is to train tomorrow’s physicians, whose service to their communities and their patients is enhanced by international learning experiences, a diverse learning community, and an emphasis on social accountability and engagement. AUC graduates are eligible to seek licensure in all 50 U.S. states, Canada, and Puerto Rico.
