

How To Complete Student Loan Exit Counseling

You must complete exit counseling when you leave school or drop below half-time enrollment. The purpose of exit counseling is to ensure you understand your student loan obligations and are prepared for repayment.

1. Visit <https://studentaid.gov/exit-counseling/> and select “**Log in to Start**” for your applicable student status.
2. Review the Exit Counseling Overview and click Start.
3. Complete all modules of the Exit Counseling.

Once you submit your Exit Counseling, the completion will be electronically transmitted to the school through the federal student aid system. Please allow 24–48 hours for our office to receive and update your record.
