

How to Complete Federal Loan Requirements

Complete Your Student Loan Entrance Requirement

1. Visit <https://studentaid.gov/entrance-counseling/> and select your student status.
2. Log in with your FSA ID and password.
3. Add Southern California University of Health Sciences in the *Notify a School* section and select continue.
4. Complete all modules of the Entrance Counseling.

Once you submit your Entrance Counseling, the completion will be electronically transmitted to the school through the federal student aid system. Please allow 24–48 hours for our office to receive and update your record.

Complete Your Master Promissory Note

1. Visit <https://studentaid.gov/mpn/> and select your student status.
2. Log in with your FSA ID and password.
3. Select the type of Direct Loan MPN you would like to complete for the type of loan you are borrowing:
Subsidized/Unsubsidized
4. Add Southern California University of Health Sciences in the *Notify a School* section and select continue.

Once you complete your Master Promissory Note (MPN), the signed document will be electronically transmitted to the school through the federal student aid system. Please allow 24–48 hours for our office to receive and update your record.
